GUIDELINES TO M.Sc. PROJECT REPORT PREPARATION

You are advised to carefully read the instructions given and follow them in the preparation of the Project Report. Non-compliance with any of these instructions may lead to the rejection of Project Report submitted.

- ❖ The duration of the Project work is six months.
  - ❖ The Project guide: The Qualification of the project Guide is PG in Computer Science/ Information Technology. The Guide should work as faculty in the College/University. He/She should handle classes for PG in Computer Science/Information Technology.
  - ❖ You are expected to undertake project work individually and submit an individual project report.
  - ❖ Project reports should be typed/printed in double line space using A4 size bond papers with a left margin of column 10 and right margin of column 75.
  - ❖ A page should not contain more than 25 lines.
  - ❖ All pages should be numbered. The preliminary pages of the Project Report (such as title page, acknowledgement, table of contents, etc.) should be numbered in lowercase Roman numbers and pages of the main text starting with Chapter –1 should be consecutively numbered in Arabic numbers.
  - ❖ Binding specifications: Wrapper should be LIGHT YELLOW in colour and printing of wrappers should be done in the press WITH SOFT BOUND.
  - ❖ Source code should not be enclosed along with project report, but the same should be bound as an appendix and submitted along with the project report. The source code should be loaded and made readily available in the system, during viva-voce examination, for verification by the examiners. If you are not permitted to bring the source code outside the organization, you should obtain a certificate to that effect from the Head of the division of the concern where you undertake the project work.
  - ❖ Table of contents should be as in the specified format given in Annexure 3.
  - ❖ A certificate from the organization where you undertake the project work should be obtained and copies of the same should be duly enclosed in the project report.
  - ❖ Three copies of the project report should be submitted positively on or before 30.04.2024 to the Director, School of Distance Education.
- The format of the report is as follows:
1. Wrapper
  2. Copy of the Wrapper
  3. Declaration by the candidate (in the format as in annexure –1)
  4. Certificate( in the format as in annexure-2)
  5. Certificate from the organization
  6. Acknowledgement
  7. Synopsis
  8. Table of contents( in the format as in annexure-3)
  9. Chapters
  10. Bibliography (in the alphabetical order of authors)

You must write to the respective guide, with a copy to the Director, School of Distance Education, the date of commencement of the project, the name of the organization, the name of the guide from industry and title of the topic.

- ❖ You are requested to report to the guide within one month and confirm about your project work and you have to meet the guide once in every two months and confirm about your attendance. The date fixed for submission of project report is 30.04.2024 separate communication will not be sent to this effect.

  
DIRECTOR
