**EXAMINATION CONDUCTED THROUGH ONLINE MODE**

**1. Technology Centric / Manual Proctoring**

Proctoring is done through google meet or zoom meet by the invigilator, who verifies the number of students downloaded the question paper and attended the examination in each session. The invigilator also ensures uploading of answer scripts in the portal.

Manual proctoring is done inside the class rooms within the colleges by deploying adequate number of invigilators.

For every 15 - 20 students, one invigilator is deployed to oversee the examination process in each session.

**2. Security arrangements for conducting examinations in online mode:**

An exclusive online examination portal has been developed. In the portal, entire data base of students are mapped with the schedule of examinations and subjects codes.

The question papers which are uploaded in the portal can be downloaded on the day / session of examination before 15 minutes of the start of the examination.

Answer scripts in PDF can be uploaded in the portal within 40 minutes after the end of examination in each session.

Login credentials with username and password are provided to each student. Using the credentials, students can download the question paper and upload answer scripts in PDF.

**3. Security arrangements for conducting examinations in offline mode:**

Question papers and answer booklets are kept in the strong room. Used answer booklets are packed and sealed.

#### **4. Ensuring transparency**

Communication of schedule of examinations, display of nominal list of students and issue of admit cards are properly done. Results are published in the University website and copies of the results can be downloaded.

#### **5. Credibility of examination**

Conduct of examinations in a very fair manner, evaluation of answer scripts by the eligible course teachers and declaration of results on time, maintain confidentiality, etc.
