GUIDELINES TO MCA MINI PROJECT

Kindly read the instructions carefully and follow them in the preparation of the Project Report. Non-compliance with any of this instruction may lead to the rejection of Project Report submitted.

* The duration of the Project work is 6 months

*The project guide: The qualification of the regular project guide is Master degree in Computer Applications. A guide should faculty in the affiliated college / University. He / She should handle classes for PG in Master of Computer Applications.

You are expected to undertake project work individually and submit an individual project report.

Project reports should be typed/printed in double line space using A4 size with a left margin of column 10 and right margin of column 65.

A page should not contain more than 25 lines.

All pages should be numbered. The preliminary pages of the Project Report (such as title page, acknowledgement, table of contents, etc.) should be numbered in lowercase Roman numbers and pages of the main text stating with Chapter-1should be consecutively numbered in Arabic numbers.

Source code should not be enclosed along with project report, but the same should be bound as an appendix and submitted along with the project report. The source code should be loaded and made readily available in the system, during viva-voce examination, for verification by the examiners. If you are not permitted to bring the source code outside the organization you should obtain a certificate to that effect from the Head of the division of the concern where you undertake the project work.

Table of contents should be as in the specified format given in Annexure III

A certificate from the organization where you undertake the project work should be obtained and copy of the same should be duly enclosed in the project report.

REVIEW

You are requested to report to the guide concerned for the project review by your guide during project work.

The students are expected to make a PowerPoint presentation on their project - objectives, work carried out so far, design, development, output, expected, status, plan for the remaining period.

ATTENDANCE FOR THE PROJECT REVIEWS IS COMPULSORY.

• The format of the report is as follows:

1. e- Wrapper

2. Copy of the wrapper

3. Declaration by the candidate (in the format as in annexure-1)

4. Certificate (in the format as in annexure -II)

5. Certificate from the organization

6. Acknowledgement

7. Synopsis

8. Table of contents (in the format as in annexure-III)

9. Chapters

10. Bibliography (in the alphabetical order of authors)
